--

The Gibson Street Gala is taking place on **Sunday 2 June from 12-6pm** and we are looking for lots of parent volunteers to help us with the various activities which will be taking place in the school.

There are lots of things planned, many of which are possible thanks to a grant which the Parent Council has secured from the local Area Committee. These include: a 'beach' area in the Piazza playground with a sand pit, sand toys and outside games; beach and sea related arts and crafts activities; face painting; a story teller; a sea-based mural being completed by the children; and many other children friendly activities along the side of the school on Otago Street.

We need volunteers in the following areas:

- Setting up the hall, gym and Piazza playground where most of the Parent Council led activities will take place before the event starts at 12
- Helping to run arts and crafts activities
- Face painting
- Overseeing the 'beach' area and outside games set up in the Piazza playground
- Helping to clear up at the end of the day.

A Doodle poll has been sent to all the parents who are on the Parent Council gmail list and you can sign up to help there. If you would like to be part of this list, please email us on [hillheadprimaryparentcouncil@gmail.com](mailto:hillheadprimaryparentcouncil@gmail.com) and we will happily add you to the list.

Otherwise please complete the tear off slip below and return it to the school office.

**Please do not think you have to sign up for the whole time – if lots of people give just an hour, we will easily cover the event.** The time slots on the poll and tear off slip are a guideline for us to make sure we have people to cover the whole event but, if you're having a great time, feel free to stay on for longer!

**Finally – we are looking for old, colourful plastic bags to use as part of one of the craft activities. If you have any spare which we could use, please hand them in to the school office. Thanks!**

It should be a great fun day and volunteering is an excellent way to get to know more parents. We would love to have you come along to help – thanks!
