SECOND HAND UNIFORM SALES

Our second hand stalls are run by Parent Council volunteers. We ask parents to help themselves to items they can use and in return make a small donation to school funds.

We always run a sale in the last week of the summer term, all second hand uniform is out on display in the courtyard playground in the mornings and afternoons of the last couple of days. Dates and details are circulated during the summer term by letter, poster and website.

All the money raised will go the school and used to enhance the children's' learning experience.

During the last few days of term in June we have a uniform amnesty, so that those pupils who wish to donate their current school uniform to the second hand stall can hand it in and wear suitable alternative clothing on these days.

We are trying to find a regular time to set up our second hand stalls – so look out for us at parents' evenings and other events.

If you are keen to buy second hand uniform during the year, please contact the parent council for information.
