Dear Parents/Guardians,

Glasgow University will kindly be running CSI workshops for all Primary 6 classes next week. Throughout the practical sessions, pupils will be learning about the processes and applications used during a Crime Scene Investigation. They will be applying the knowledge and skills that they have learned as well as putting their problem solving and analytical skills to the test!

We are in need of parent helpers to accompany the classes to the workshops. Each class will leave the school at 1.10pm and will be returning before the end of the school day - please contact the office if you are able to assist. Thanks in advance for your support with this.

Workshop Dates:

P6A – Thursday 27th April 2017
P6B – Tuesday 25th April 2017
P6C – Wednesday 26th April 2017

Kind regards,

The P6 Team
