

Hillhead Primary Sports Day

We are pleased to inform you of our final arrangements for our upcoming Sport's Days for all stages.

Please note the change of venue for **Primary 1 only**. This is due to Health and Safety restrictions on numbers as advised by The Kelvin Hall. The Primary 1 sports day will now be held at **Hillhead Primary School in our gym hall from 9:30am-10:20am approx.** There is **no** change to the date and it will still take place on the morning of **Friday 23rd June** as originally planned.

Primary 2 and Primary 3 will begin their Sports Day at 10:30- 11:45am approx. at the Kelvin Hall. This has been done to enable Primary 1 parents who also have children in Primary 2 and Primary 3, to be able to attend both events.

The information for the P4-P5 Sports Day, and P6-P7 Sports Day, remains the same.

Please Note: The Sports Halls we are using at The Kelvin Hall have a total capacity of 300, and this limits the number of spectators for each event. The majority of spectators will be accommodated inside the hall in designated seating areas and there will be some additional viewing space directly outside the halls and in the corridor above the halls. This will be standing only and is limited in number due to it also being a main corridor.

Please find further details of available spectator numbers below for each Sports Day taking place at The Kelvin Hall.
