

## ***EASYFUNDRAISING SCHEME***

Easyfundraising is a scheme which organisations/ causes such as schools and charities can raise money through supporters buying on line. Using this scheme the school has raised over £900 in the past 2 years. It is very simple to do - visit ***<https://www.easyfundraising.org.uk>***, and register your interest in Hillhead Primary. You then follow the instructions from the website and an easy fundraising icon will appear on your toolbar. Every time you shop online, click the easyfundraising icon on your toolbar and search for the retailer. A percentage of the cost of your shop will be donated to the school.

We continue to encourage parents to use this scheme as it is easy to use and greatly benefits the school. Please think about this when you're doing your next online shop.
