G.L.O.W.S

Dear Parent/Carers,

We are continually impressed with the range of activities and organisations our pupils are involved in out with school. We are eager to recognise and celebrate our pupils' wider achievements through our G.L.O.W.S. (Great Learning Out With School) initiative. We would like to provide you with the opportunity to nominate your child for something that they have succeeded in or achieved out with school. Your child will be presented with a G.L.O.W.S award and have their achievement displayed in the school.

If you would like to nominate your child for a Hillhead G.L.O.W.S. award, please complete the slip below when appropriate and send it in to school whereby your child will post it in the G.L.O.W.S Owl. This may be done at any point in the school year.

Thank you for your support with this initiative. We are extremely proud of our pupils and look forward to reading and hearing about all their achievements and success out with school!

Special Achievement :(Please briefly outline the reason for the award).
