Dear Parent/Carer

Picture Panda Photography will visit the school the week beginning 13<sup>th</sup> November to take photographs of the children. This year the photographer will photograph family groups. Please note family groups refer to brothers and/or sisters in the same family who all attend Hillhead Primary School. If your child does not have a brother or sister in the school they will receive an individual photograph. Individual photographs are organised on alternative years and will be arranged next session for all pupils in place of family groups.

Order forms will be sent home with the proofs with the option to select more than one image in a range of sizes. An approximate timetable for all photographs can be found on the reverse of this letter.

**Photographs of family groups will take place on the date allocated to the eldest child. For example, if a child in P7a has a brother in P4b and a sister in P2c they will all have their family photograph taken on the day allocated to P7a.**

I'm sure you will understand it is very difficult to predict the exact timing of each class and any changes will be communicated to you by text message.

Yours sincerely

Susan Thomson

Depute Head Teacher
