Dear Parent/Carer

This week we received several complaints about pick up and drop off by our parents on Otago Street and Westbank Quadrant.

One parent complained that she was nearly hit by a car reversing onto the side of the pavement. One resident made a strong complaint about the number of parents who were temporarily parking in residents' only bays in Westbank Quadrant. When he drove round to try and find an unoccupied space he could not move forward because of double parking further along the road. He intends reporting the matter to local Councillors and the appropriate authorities.

There is no reason why any of our parents need to collect their child by car at the Otago Street Entrance.

Short term parking bays are available on Kelvin Way and children can easily exit the school via Kelvin Way.

Would the parents who continue to drop off/pick up in Otago Street/Westbank Quadrant please stop doing this for the benefit of both the school community and our local community.

Our thanks once again to all of the parents who continue to act responsibly and selflessly, it is very much appreciated.

Best Wishes
