

World Book Day 2018

The theme of World Book Day this year is 'Share a Story'. We are encouraging children to bring a favourite book from home to school on Monday 26th February. A special class library will be created where children can share their a story with a classmate each day. The books will then be returned home on Friday 2nd March with a World Book Day token.

Children are welcome to dress up as a character from a book on Thursday 1st March. They may come to school in their costume on this day. We had some wonderful costumes last year and look forward to seeing this years' original creations.

We're planning on having parents share stories with classes in a variety of different languages as World Book Day is celebrated in over 100 countries across the world.

Children are never too young to start their journey with books, and the benefits of reading are enormous—so we hope, like us, you will use World Book Day to celebrate reading with your child.
