Wednesday 13th June 2018

Dear Parents/Guardians,

P6 successfully carried out forensic work at the University of Glasgow in April. Their expert scientific knowledge was put to the test when investigating the crime committed against Mr J. Bones.

The case is now being taken to court. Members of P6 will be presenting their findings to a judge and jury in the hope that a criminal conviction will be made. This will be held at the St Andrews Building on Wednesday 20th June 2018 between 1.15pm and 3.00pm.

Kind regards,

The P6 Team
