Dear Parent/Carer

A huge thank you to all our pupils and families who contributed to the great success of our Burns Blockbuster Fundraiser. We have had a Burns Supper, Burns Assemblies, Ceilidhs, Burns Theatre Performance, Burns Concert, Burns Sing-a-long, children taking part in competitions at the Trade Halls and performing at the Hunterian Museum. We have heard from the children about the visits to museums and their individual efforts at home to complete a line(s) on their challenge card. We've even had some children attempt to complete every challenge!

Thank you to those families who have started to send their sponsorship money into school. The more money we raise the more we can use to provide additional opportunities for our pupils to access the wide variety of experiences available.

Please encourage your child to return their completed challenge card to school so we can see how well individuals have done! We're looking to celebrate those individuals who have successfully completed the challenge(s). Of course anyone who wishes to continue completing challenges over this weekend is free to do so - some children have asked...

If you would like to see some of the events that have taken place in school, head to our twitter feed or follow us:

We ended our week of activities on Wednesday with our Tartan Day and a whole school sing-a-long in the afternoon, finishing with Auld Lang Syne. It was a lovely moment and made even more special by our guest piper. We finished our day with our piper playing for children and families in the playground.

It has been a thoroughly enjoyable event, made even more so by the fantastic way in which families have supported our pupils. A huge well done to everyone involved!

Kindest Regards

Gary Thomson  
Principal Teacher
