## **Glasgow University Science Workshop**

**Thursday 30th May 2019**

Dear Parent/Carer,

Primary 6 have been invited by Glasgow University Faculty of Education to attend a science workshop day to support their CSI Hillhead Topic. We will walk to the St Andrew's Building on Eldon Street, leaving the school at 9.15 am and returning to school at approximately 2.30pm.

The children will be at the University all day, carrying out scientific experiments and taking part in a mock court trial where they will present their forensic evidence.

Children should wear full school uniform and remember to bring a packed lunch, snack and water bottle. Those children who are entitled to free school meals will be provided with a packed lunch on this day.

Please contact me if you have any queries about this trip.

Kindest regards

Gary Thomson  
Principal Teacher
