### **Read Write Count P7 Moving Up kits**

Your child will be coming home today with a P7 Moving Up Kit. Read Write Count Moving Up kits have been gifted to every Primary 7 pupil in nine local authorities to support their transition to secondary school. Glasgow, Dundee, Inverclyde, West Dunbartonshire, North Ayrshire, Clackmannanshire, North Lanarkshire, East Ayrshire and Renfrewshire will take part in the pilot scheme, which aims to support parents and pupils during a time of change.

The Scottish Government initiative, in partnership with Education Scotland and Scottish Book Trust, will provide a kit containing the following items:

Reusable water bottle, protractor and ruler set, pen /pencil and rubber set, journal notebook, scientific calculator, pocket dictionary, parent/pupil booklet and a USB Stick.

The Moving Up kits have been delivered by Scottish Book Trust, the national charity changing lives through reading and writing.

**We are suggesting that children put these somewhere safe until August, for when they prepare to begin secondary school. We will continue to provide them with similar items as required in school until the end of the term.**

The Scottish Book Trust are now evaluating the project to make sure we are making the best use of resources, and find out what improvements can be made to the project and/or process. Everyone that completes the survey will be offered the opportunity to enter a prize draw to win a £50 gift voucher.
