**Sharing learning and progress with Seesaw**

Dear Parent/Carer

We are currently introducing Seesaw (<http://seesaw.me>) to our school. Seesaw is a secure online journal where teachers and pupils can document and reflect on learning. Using Seesaw, we have the ability to include examples of your child's learning in their own personal Seesaw journal and share this privately with you to view and comment on throughout the school year.

In order for your child to use Seesaw, the app requires your child's name to associate their work, for example, photos, videos or voice recordings, with their account. Seesaw only uses this information to provide the service and doesn't advertise in Seesaw, create profiles of pupils, or share or sell your child's personal information or journal content. You can read more about their strong privacy promises here: <https://web.seesaw.me/privacy>.

Under an EU law called the General Data Protection Regulation (GDPR), in order for your child to use Seesaw, the school must get your consent. For more information on GDPR, please visit <https://ec.europa.eu/info/law/law-topic/data-protection/reform/rights-citizens>.

I hope that your child will enjoy using Seesaw to document and share their learning this year. I would appreciate if you could sign below and return this permission slip to your class teacher to give consent for your child to use Seesaw.

Thank you.

Yours sincerely

Andrew Robson  
Head Teacher
