

Home Learning Hub Activities: P6 Stage

Here are a selection of some activities which *reinforce* Numeracy and Maths skills, Literacy and Topic. With Numeracy and Maths children are encouraged to self-differentiate to make activities less or more challenging. For example, children may choose to work with numbers less/more than 100, 000. Children can be reminded to access the internet for reminders and visual support of strategies/concepts.

Task 1	Task 2	Online learning & websites
<p style="text-align: center;">Fraction Names</p> <p>Write down the names of ten people in your family. Underline the vowels in each name and circle the consonants.</p> <p>Then write the fractions for each name for example Noah Noah has 4 letters 2 letters are vowels 2 letters are consonants $\frac{2}{4}$ vowels $\frac{2}{4}$ consonants</p> <p>Make it as simple or complex as you wish, even include middle names!</p> 	<p style="text-align: center;">Count Down</p> <p>Play this game with another person. One person writes down a 3-digit 'total' number. The other person writes down four numbers between 1 and 10 as well as three numbers which are multiples of 10, up to 100.</p> <p>e.g. Total: 437 Numbers: 4, 7, 9, 3, 20, 70, 50</p> <p>Set a two-minute timer and work out the total number by using the other numbers and any operations, e.g. +, -, ÷ and ×. The person closest to the target wins.</p>	<p style="text-align: center;">The Daily Rigour </p> <p style="text-align: center;">Your free weekly numeracy newspaper!</p> <p>Problems in Context: A free Daily Newspaper especially for kids and all about Numeracy!</p> <p>https://www.cdmasterworks.co.uk/the-daily-rigour/</p> <p>Useful Web Links:</p> <ul style="list-style-type: none"> https://mathsbot.com http://www.primaryhomeworkhelp.co.uk https://nrich.maths.org http://www.mathematicshed.com https://www.topmarks.co.uk
Task 3	Task 4	Online learning & websites
<p style="text-align: center;">Pirate Perimeters</p> <p style="text-align: center;">Area and Perimeter Name _____</p> <p style="text-align: center;">Pirate Themed Message Decoder</p> <p>Solve each problem and write the matching letter on the blank above the answer.</p> 	<p style="text-align: center;">Terrific Tangrams</p> <p>Measure a 4cm square and divide it up the same as in the picture. Cut out the individual parts then use it to see what pictures you can make.</p> <p>Can you make any of the shapes below?</p> 	<p style="text-align: center;">Sumdog</p> <p>Please continue to play Sumdog Maths</p>  <p>If you don't have a log-in contact the school.</p>

Reading – Discussion Texts

Look at this newsround article on the question, 'Should all Covid restrictions be scrapped?': <https://www.bbc.co.uk/newsround/60460988>

This is a balanced discussion text, which presents both sides of an argument without bias.

- Summarise what the main arguments are for each side using bullet points in a table:

For	Against

- Now try to identify the main features of this kind of text. eg.
 - Which tense is used?
 - Is the tone formal/ informal?
 - How is it structured? What is at the top, beginning and end? Are paragraphs used and if so, how are they used?
 - Is there a bias?
- What is your opinion on this topic now?

Spelling

See below a list of Homophones. These are words that sound the same but not spelt the same and have different meanings.

threw	through
allowed	aloud
eye	aye
brake	break
hole	whole
steal	steel
peace	piece

Spelling Activities

- Put the words in alphabet order
- For each word: write a definition.
- Write a sentence for each word. This sentence should show that you know the meaning of the word.

Can you come up with another 3 pairs of homophones, and for each do the same.

Talking & Listening – Thinking Cards

Answer one of each colour or all of them if you wish ☐

Talk to someone in your family about them and ask them the questions too.

When did you laugh so hard at school that you cried?	What is something a teacher said to you that you will always remember?	If you could choose a fictional character for a book to join your class, who would you choose? Why?
Describe your ideal daily school schedule.	Describe the contents of your ultimate lunchbox? Ultimate backpack?	What is the worst thing that could happen to a student at school? The best thing?
If you could create a sculpture for your school, what would it be?	Tell about a time when you or another student stood up for someone against other students.	What is the secret to being successful in school? How do you define success?

Writing – Balanced Discussion

Use the features you have identified in the reading activity to write your own balanced discussion.

It could be on the same topic ('Should all Covid restrictions be scrapped?') if you want to make it easier, or choose a different topic if you want an extra challenge.

Grammar

Parsing- Create 7 different sentences...
 In sentence 1 include a noun, underline it only in the sentence.
 Sentence 2, a **verb**, colour it red.
 Sentence 3, an **adjective**, colour it blue.
 Sentence 4, an **adverb**, colour it orange.
 Sentence 5, a **pronoun**, colour it pink.
 Sentence 6, a **preposition**, colour it green.
 Sentence 7, a **connective/conjunction**, colour it purple.

If you do not have a login get in touch with the school

Topic – The Victorians

- Tell us the what and why of your favourite part of the recently completed Victorians topic.
- Also write down 5 things you have learned about this topic. Also say how you learned it eg in a lesson, research from internet, book, video, peer etc

Topic – The Arrival (Research)

- The Arrival is all about the journey of an immigrant/refugee to a new land.
- Tell me of a new land/place you would like to go to and why.
- Use the internet to research the place to build up a fact file on this place....

tell me something about it eg the name, capital city, population, size, language spoken, currency used and anything else you think is appropriate.

Topic – The Arrival (Art)

- Find one of the country's landmarks and draw yourself next to it.

- Use any medium you wish, it could be paint, pencil, line drawing, charcoal, collage, your choice...

Topic – The Arrival (Language)

- In The Arrival our main character encounters a new language that he finds difficult to understand.
- Create a grid to make up your own language... Research could help you here... You will need to decide...
- How many letters it has (not all are the same)
- What the letters look like
- What sound(s) they make

To finish...

make up a message using your language.

Have a grid to hand so that someone else can have a go at working out what your message says.

Science- The Equinox(es)

On March 18th this year we have the day where daytime and night-time are approximately equal. (The Vernal Equinox)

Can you research... Why the seasons happen? Why the Vernal Equinox happens at approximately the same time every year?

When else does this type of equinox happen?

When are the shortest and longest days?

Expressive Arts – Music

- Tell me something about the type of music you like...
- What's your favourite genre(s)?
- Do you have a favourite artist/band/composer?
- Do you have a favourite song(s)?

Tell me why you like this genre/artist/song etc.

Health and Well-Being Physical - Dance

- Dance is a fantastic form of exercise as it is fun and easy to do in the comfort of your own home. Use your favourite music to help you choreograph a dance of your own.

Health and Well-Being Emotional Wellbeing

Practice mindfulness daily – 10 minutes in morning and evening. Imagine your breath is your favourite colour.

- Sit tall in a comfortable cross-legged position with head bowed and eyes closed.
- Breathe in through your nose, feeling the warmth of your breath as it travels up from your lungs to top of your skull, then out through your nose visualising the breath travelling over the top of your head and down your spine.
- Let thoughts come and go as they please, but always come back to the breath.

Health and Well-Being Physical – Strength and Stamina

- Create an aerobic routine to music including running on spot, shadow boxing, star jumps, squat thrusts, skipping.
- Create a strength based routine including sit ups, press ups and arm pull repetitions using a tin of beans!

Health and Well-Being Food & Technology

- Create a healthy food poster to help remind people at home of the types of food they should try to include in their diets. You should aim to make your poster as appealing as possible. Try placing it somewhere obvious where it can get maximum attention, such as your kitchen fridge.

Health and Well-Being Emotional

Express your thoughts and feelings through Art!

- Use shape, colour, line and pattern to create an Expressionist style piece of art. Check out Expressionism online. Let your feelings flow. Think of a title for your work. Use any medium you like or a combination; chalk, pastel, crayon, felt pen, pencil, collage.....

Health and Well-Being Social

- Play board games and card games with your family;
- Bake together – have fun!
- Cook together – help prepare vegetables
- Share movies!
